"Wo weak to the cupboard to get the Cars, With intent to sell a few.
When we got there the cupboard was hare, Whatever could we do?"—OFFICEUS. Idea surprised at Ottowa's fall. Harry, what ahout it? Portir's rise was a good one. An increase of 60 is no mean number, at least, thome of Quobec II. Coarlocoke, Maxrille, and Wast Windowson at level. Why, order filty catra cach week, of ourse.—Pay. I took pert in a meeting in the old Richnond Street Berracks a few days ato. It was a 'War Cry' meeting, and many of the old and young veterana bactfool to the great good received through the 'Cry.' The Editor was thore. No wonder he looked pleased.

Fenoion Falls has made a hold move and comes into the List. Congratulations, Arthur. It is a good stroke of business, and D.O. Beatty's heart should be chered. and D.O. Beatty's heart should be enserved.
Could not other officers in this all vision
help their D.O. to ellinb up the "Was Cys"
ladder? Cast G. Miller, will you may 400?
